Goldy Socks and the Three Hares

By Carol Montgomery ©2010

Narrator: Once upon a time there were three hares who lived in a cozy little house at the edge of town.

Harry: (*deep voice*) Big Papa Harry Hare.

Sherry: (*sweetly*) Sweet Mama Sherry Hare.

Berry: (*silly, but clear*) And Silly Little Berry Hare.

Narrator: Berry liked to make up silly little songs.

Berry: (*sing-song like*) My name is Berry—not strawberry! My name is Berry—not blueberry. My name is Berry, not Hairy Berry, but Berry Berry Hare!

Narrator: The Three Hares had invited their good cat friend, Goldy Socks over to play games. But, when Goldy Socks got there she found a note on the door from Sweet Mama Sherry Hare. The note said:

Sherry: Dear Goldy Socks, Come on in! Our home is your home! We'll be back soon. Love, Harry, Sherry, and Berry Hare.

Narrator: So Goldy Socks opened the door...

Goldy: (*opens door*)

Friends: C-r-e-a-k!

Narrator: And went in.

Goldy: (*looks around*) Meow!

Narrator: Goldy Socks saw three chairs...

Harry: (*deep voice*) Big Papa Harry Hare's chair.

Goldy: (*makes a face*) Meow! That's too hard!

Sherry: (*sweetly*) Sweet Mama Sherry Hare's chair.

Goldy: (*makes a face*) Meow! That's still too hard!

Berry: (*rocking back and forth*) And Berry's little rocking cherry.

Goldy: (*excited*) Woo-hoo! This little rocking hare chair is just right!

Narrator: Then Goldy Socks rocked and rocked, but not around the clock. Rocking was too boring. Besides, Berry had left some toys out on the floor! So, Goldy hopped down and began to play. First, she tried the fire truck's buttons.

Friends: (*siren sound then loud horn*)

Goldy: (*makes a face*) Meow! That's too loud!

Narrator: Then Goldy tried the remote control robot.

Friends: (*fast robot noises*) Zing! Whirrrr! Blip, blip, blip.
Zing! Whirr! Blip, blip, blip. Zing, zing! Whirrr, whirr!
Zoom, zoom, zip!

Goldy: (*makes a face*) Meow! That's too wild!

Narrator: So, Goldy grabbed the stuffed toy cat on the floor.

Goldy: (smiles) Woo-hoo! This toy friend is just right.

Narrator: And she hugged it close. She stopped when she saw the sun shine on something in the corner. That something was...

Harry: (*deep voice*) Big Papa Harry Hare's golden trombone.

Narrator: But, when Goldy tried to blow the trombone she found...

Friends: B-L-A-T!

Goldy: (*makes a face*) Meow! This thing is too hard!

Narrator: So Goldy looked around and saw...

Berry: (*happily*) Yum, yum, yum, yum, Berry's yum drum.
Rum-ditty-bum bum. Yum, yum, yum!

Narrator: But, when Goldy tried to play the drum she found...

Friends: Dum, dum, dum, dum

Goldy: (*makes a face*) Meow! This thing is too easy!

Narrator: Then Goldy walked over to the bench by...

Sherry: (*sweetly*) Sweet Mama Sherry's baby grand piano.

Goldy: Woo-hoo! This baby grand is just grand! Meow!
(singing poorly) Meow a day. Meow always...

Narrator: And Goldy started to play and sing and sing and sing.
She could just imagine her friends singing with her.....

Goldy and Friends: (*all sing terribly*) Meow a day. Meow
always...Meow, meow, meow!

Narrator: When cats sing it's a joyful noise! Goldy made so
much noise she didn't hear...

Harry: (*deep voice*) Big Papa Harry Hare

Narrator: and...

Sherry: (*sweetly*) Sweet Mama Sherry Hare

Narrator: and...

Berry: (*happily*) Silly Little Willy Wear, Silly Little Billy Bear,
Silly Little Berry Hare...

Narrator: All come home.

Friends: Followed by ALL of Goldy's good friends.

Friend #1: And one held a cake!

Friends: Happy Birthday, Goldy!

Harry and Sherry: Happy Birthday, Goldy!

Berry: (*happily*) Today is your birthday, happy happy birthday!
Today is your birthday, happy happy...hey!

Friends: (*happily*) Today is your birthday, happy happy birthday!
Today is your birthday, happy happy...hey!

Goldy: Wow! Thank you so much! I had friends who were too mean. And I had friends who were too loud! But, you all are just right!

Berry: (*happily*) Today is your birthday, happy happy birthday!
Today is your birthday, happy happy...hey! Let's eat!

Friends: Woo-hoo!

All: (*bow*)

Creative Writing:

Use small groups or the whole class to write a variation of Goldilocks (or Goldy Socks) or another familiar children’s story. This may take a few days to complete unless you assign different parts of the story to different groups. First, the class decides on a title and character names. Then, let the creative juices flow!
